

Navigating the Cybersecurity Landscape: Best Practices for Governance

UT Law CLE – Essential Cybersecurity Law
September 25, 2024

1

Show me a sinister hacker.

2

Now make him even more sinister.

3

Make him as sinister as you possibly can!

4

*You're getting closer. But
I need more sinister
vibes!*

5

Look, it's pretty good, but
please don't come back to
me until you are absolutely
convinced you have created
the sinisterest hacker that
could not possibly be made
more sinister.
