

# Navigating the Cybersecurity Landscape: Best Practices for Governance

UT Law CLE – Essential Cybersecurity Law  
September 25, 2024

1

*Show me a sinister hacker.*

2

*Now make him even more sinister.*

3

*Make him as sinister as you possibly can!*

4

*You're getting closer. But  
I need more sinister  
vibes!*

5

Look, it's pretty good, but please don't come back to me until you are absolutely convinced you have created the sinisterest hacker that could not possibly be made more sinister.
