10:00 am 1.00 hr ethics	A Legal Ethics Wish List (REPLAY) <p>Law firm General Counsels and Risk Managers have wish lists...of what they hope their colleagues already know about the Rules of Professional Conduct and how to apply them. This presentation explores many things that are, no doubt, on those wish lists, including a working understanding of the conflict of interest rules, tools to help navigate those rules (like engagement letters and "I'm Not Your Lawyer" letters), the difference between the attorney-client privilege and the lawyer's ethical duty of confidentiality, and a proper appreciation of the application of the "No Contact" Rule. The presentation also provides some practical tips to help create a culture of sound risk management practices to help keep the attendee from getting on the General Counsel's or Risk Manager's naughty list.</p> <p>A.J.
