Ethics of Freelance Legal Services: Hiring and Being Hired as a Contract Attorney

Many lawyers find work as freelance attorneys or contract lawyers, who do work for other lawyers and firms. But what are the ethical implications when hiring, or being hired as a contract or freelance lawyer. Does the contract lawyer always have an attorney client relationship with the underlying client? Do flat fees need to be kept in your trust account? Learn the answers to these questions and more in this one hour presentation.

Claude E. Ducloux, Attorney at Law - Austin, TX
