Getting the Most Out of Your Mediation: Tips to Maximize Your Mediation Time

Join Scott Baker as he explores ways to help attorneys make the most of a mediation session as well as the mediator's skills to help their clients resolve disputes. He'll delve into written mediation statements, pre-mediation conferences, joint sessions and opening statements, negotiations, and mediated settlement agreements. Examples, trends, and caselaw will be discussed and used to provide practical tips and suggestions to attorneys who represent or counsel clients who use mediation to resolve disputes. This presentation is designed to provide useful information to attorneys of all experience levels.
